

Things to See & Do while you are at Ridee Villa (RV)

Safe Sea bathing

Supposedly an amazing spot to take a dip is just a few seconds away from RV. Its is a beautiful wide curving golden beach. The golden sandy beach is amazing, giving a wide vista of the sea shore and the greenery skirting it. This beach at unawatuna Sri Lanka has been acclaimed as one of the best beaches amongst 12 such in the world. The coral reef yonder acts as a break water and protect the beach as well. This calm sea is ideal for safe bathing for adults and kids alike.

Sun Basking

As Sri Lanka is situated in close proximity to the equator, a warm climate with sunny skies prevails almost perennially here. The average temperature is around 30 ° C (aprox. 85° F). It is in between 11AM and 2PM that the sun shine is most intense around unawatuna Sri Lanka & RV areas with marginal variations, ultra-violet rays are most potent between 10AM and 4PM here.

They are the most intense at noon extending to about an hour and receding thereafter. Be handy with a sun cream (with higher S.P.F) to suit your requirement for getting a nice tan to your satisfaction. RV provides you with beach towels and beach beds at the beach as well.

Snorkeling

Snorkeling is a wonderful activity that could be enjoyed by almost any enthusiastic fun loving visitor who has access to the ocean. Unawatuna beach and the bay with crystal clear waters provides excellent snorkeling opportunities best during the season from August ending in March. Surfing & diving are also exercised by many to witness the fantastic marine life around the coral reef in the habited of various types of colorful fish. The ship wrecks and other different species of fish too could be encountered if willing to proceed further anterior. RV team, well acquainted with appropriate locations of interest to a visitor is always there to lend a helping hand and guide you. Any equipment connected with these expeditions could be readily rented out here.
